

## American Society for Nutrition's Continuing Professional Education (CPE) FAQ

### What types of continuing education are being offered at this meeting?

ASN is proud to offer Continuing Professional Education (CPE) for Registered Dietitians and Dietetic Technicians.

### Why are there different evaluations?

Each activity is listed separately in the CDR's database, therefore, they must be evaluated separately. The full list of activities is below and each survey can be accessed on each event's page via

<http://scientificsessions.nutrition.org/>

Date	Activity number	Activity title	Credit Hours
3/28/2015-4/01/2015	119518	ASN's Scientific Sessions and Annual Meeting at EB 2015	33
3/27/2015	119157	ASN Sponsored Satellite Program: Whole-Milk Dairy Foods in Nutrition and Health: An Evaluation of the Current State of the Science.	3.5

Total possible hours:			*48.5

\*Although the numbers equal 58.5, you can only be present at one event at a time for those marked \*\*

\*\* Occurring at the same time as another event. You may only claim credit for one. *Please note that the Sponsored Satellite Programs are being recorded, once the recordings are posted, you may watch the programs and claim credit for the session for up to a year after it was recorded.*

Please contact Moira Guenther (mguenther@nutrition.org), ASN Staff with any questions.

**Are the answers confidential?**

Yes. Accreditations require that we take into account all responses to better our programs through the years. Your name is pulled separately for CPE records in case you are audited by the CDR.

**How do I get my certificate(s)?**

Certificates will not be emailed out. Once you complete the online surveys you will be directed to a website where you can download and save the certificates. Please note that you cannot exit the surveys early.

**Accreditation statement**

ASN designates this educational activity for a maximum of **48.5 CPEUs \***. Dietitians and dietetic technicians, registered should only claim credit commensurate with the extent of their participation in the activity.

ASN (Provider #NS010) is accredited and approved by the Commission on Dietetic Registration (CDR) as a provider of Continuing Professional Education (CPE) programs for Registered Dietitians.

Learning Level 2

Information on Sponsored Satellite Programs, including suggested learning codes, can be found on the ASN webpage: <http://scientificsessions.nutrition.org/>

Please contact Moira Guenther (mguenther@nutrition.org), ASN Staff with any questions.
