**We Care about You and Your Family.**

**FAMILY  
SUPPORT**

**Nutrition 2018** aims to be a family friendly environment and ASN is offering small grants to help off-set caregiving expenses to enable scientists with dependent children or family members to present their research in Boston.

The **Nutrition 2018 Family Support Grant** is a reimbursable allowance up to a maximum of \$750 towards eligible funding scenarios. Provision of these grants is part of a study to assess and evaluate conference attendance feasibility; through this effort we will gather feedback about preferences and barriers to conference attendance.

*Special thanks to the **National Dairy Council** and **The Sugar Association**, our supporters of the inaugural Family Support Grants.*

**Deadline to Apply is April 2, 2018**
